Water Meter Replacement

In accordance with the Measurement Act, water meter replacements are carried out for free for those that have been used for a certain period of time. A notification post card will be sent to eligible households in advance of the replacement. Yuki Plumbing Heating and Air Conditioning Constructor's Association is in charge of the water meter replacement. (The members have contractor certificate of water supply service of Yuki city.) Meters that have serial numbers beginning with 7 or 8 will be object of replacement for the current fiscal year. For more details, please visit our website.

Period of replacement: from October 2023 to January 2024.

Inquiry: Waterworks Division TEL: 0296-34-0358 Water Supply Center TEL: 0296-34-1100
